Dear Ms. MacLaren:

Thank you for your letter in support of the Archie Carr National Wildlife Refuge and Lake Wales Ridge National Wildlife Refuge. I appreciate you taking the time to share your thoughts with me. Be assured, as a member of the Appropriations Committee, I will be working with my colleagues to secure funding for programs significant to both Florida and our nation.

Again, thank you for sharing your support for this funding with me. Knowing how you feel on key issues helps me better represent Florida here in the United States Senate.

Sincerely,

Connie Mack
