

**A Resolution of the *FLORIDA CHAPTER OF THE
WILDLIFE SOCIETY:***

The *Florida Chapter of The Wildlife Society*, an organization of professional wildlife biologists, managers, and administrators in the State of Florida, by this resolution, recognizes **Colonel Robert M. Brantly**, Executive Director of the Florida Game and Fresh Water Fish Commission (Commission), for his 36 years of dedicated service to the Commission, his 16 years of leadership as that agency's executive director, and his many contributions to wildlife conservation and management throughout his career. Through his commitment, vision, leadership, deeds, and accomplishments, he has greatly advanced the cause of wildlife conservation for the resource, hunters, fishermen, wildlife watchers, and conservationists, alike. On this, the occasion of his retirement from the Game and Fresh Water Fish Commission, the Florida Chapter hereby extends its recognition and appreciation.
