FREE WORKSHOP: [Python Patrol and Exotic Plants](#)

check if attending _____

This exciting 2 part workshop will be taught by experts in the fields of python and exotic plant eradication. One half will train you on how to properly ID, catch, and collect pythons. The other half will train you on how to properly ID and treat invasive exotic plants. This workshop will provide continuing education credits towards your herbicide applicators licensing. There will be a total maximum attendee limit of **60** people, however only **24** attendees will be allowed to handle the live snakes. If you would like to be one of the 24 snake handlers, **DON'T WAIT, [complete the permission form](#)** and submit it with your registration form. This is a first-come, first-serve basis. FL TWS will post an announcement when all the snake handler spots are filled. Please visit us at www.fltws.org for a detailed workshop agenda.
