

Michelle Tishler is the recipient of the Florida Chapter's 10th annual scholarship for undergraduate students. A senior at the University of Florida, Michelle is pursuing a Bachelor of Science in Wildlife Ecology and Conservation. Michelle is also getting a Minor in Fisheries and Aquatic Sciences and plans to pursue a Master's Degree in Marine Fisheries. In addition to her course work, Michelle is an active member of The University of Florida's Chapter of The Wildlife Society (TWS), the UF Marine Biology Club, the Golden Key International Honor Society, and Sigma Alpha. She has studied abroad in Belize and the Galapagos.

The FLTWS Student Scholarship was established in 1998 to recognize and financially assist Junior and Senior undergraduates pursuing a career in wildlife biology at a 4-year school in Florida. Applicants are judged on their financial need, extracurricular activities, demonstrated leadership, professional potential, and personal goals. The Florida Chapter of the National Wild Turkey Federation and the Florida Wildlife Federation cosponsors the scholarship. As this year's recipient, Michelle, will receive a check for \$1,000.
